

## 2009/2010 Honorariums and Memorials

The following donations were made to honor or memorialize the names that are in bold letters. We are deeply grateful for each and every donation because we know the love and caring that each gift represents. The money raised through these memorials is placed in the ABCF Memorial Endowment Fund where only a portion of the income can be used to address health issues. Once a grant is made, the dollars are then matched by the AKC Canine Health Foundation, which doubles the impact of our donations. The corpus is never spent; therefore, this Endowed Fund will keep giving to our breed in perpetuity.

### Donations as of March 2010
